SOUS WINDOWS

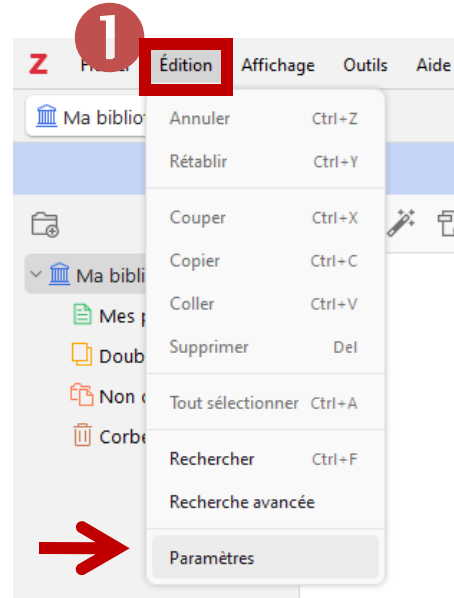

The screenshot shows a Windows desktop environment. On the left, a vertical blue bar contains the ULB logo and the text 'UNIVERSITÉ LIBRE DE BRUXELLES' and 'SOUS WINDOWS'. The desktop background is a dark, starry night sky. Several application icons are visible: Corbeille, MirrorOp, VLC, Capture.PNG, Google Chrome, SAP Logon 64, Firefox, TeamViewer, and Zetoc. A web browser window is open, displaying the PubMed website. The browser's address bar shows the URL 'pubmed.ncbi.nlm.nih.gov/36442474/'. The browser's taskbar at the bottom has a red box around the 'Z' icon. A red arrow points from the 'Z' icon in the taskbar to the 'Z' icon in the browser's address bar. The PubMed page shows a search for 'lung cancer' with results for 'Lung Cancer Screening' by Elizabeth Lee and Ella A Kazerooni. The page includes a 'Provided by' section for 'Université libre de Bruxelles' and a 'Next Result' button.

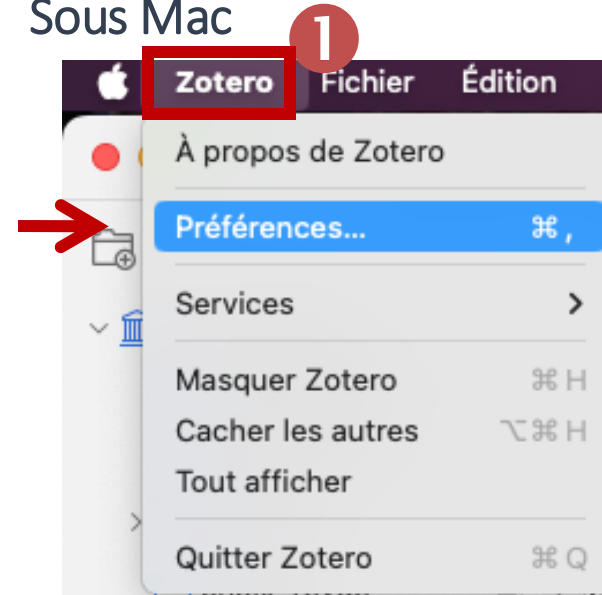

A screenshot of a web browser on a Mac displaying a PubMed article. The browser's address bar shows the URL 'https://pubmed.ncbi.nlm.nih.gov/39118466/'. The page header includes the NIH logo and 'National Library of Medicine National Center for Biotechnology Information'. The search bar contains the query 'OR "factorial analysis"[Title/Abstract] OR "patient types"[Title/Abstract]'. The article title is 'Returning to pre-injury level of sports before 9 months after medial patellofemoral ligament reconstruction increases the incidence of anterior knee pain in young patients'. The authors listed are Chenyue Xu, Yuchen Zhao, Zhengyi Ni, Kehan Li, Huijun Kang, and Fei Wang. The abstract text is visible, starting with 'Purpose: This study aimed to identify the risk factors for anterior knee pain (AKP) after medial patellofemoral ligament reconstruction (MPFLR)'. The Mac dock at the bottom shows various application icons, with a Zotero icon highlighted by a red box. A red arrow in the top right corner of the browser window points to a red box containing the letter 'Z', which is likely a keyboard shortcut indicator for Zotero.

ENCODER MANUELLEMENT

The screenshot displays a library management application with a sidebar on the left, a central table of documents, and a right-hand 'Info' panel. Three red annotations highlight key steps:

- 1**: A red circle with the number '1' is placed over the top toolbar, specifically on the document icon.
- 2**: A red circle with the number '2' is placed over the 'Chapitre de livre' option in the document type dropdown menu. A red arrow points from this circle to the 'Sélectionner' (Select) button.
- 3**: A red circle with the number '3' is placed over the 'Encoder' (Encode) button in the bottom right area of the interface.

The central table lists documents with columns for 'Créateur', 'Année', and 'Date d'ajout'. The 'Info' panel on the right shows the document type set to 'Chapitre de livre' and includes fields for 'Titre', 'Auteur', 'Titre du livre', 'Collection', 'N° ds la coll.', 'Volume', 'Nb de volumes', 'Édition', 'Lieu', 'Maison d'édition', 'Date', 'Pages', 'Langue', 'ISBN', 'Titre abrégé', 'URL', 'Consulté le', 'Archive', 'Loc. dans l'archive', 'Catalogue de bibl.', 'Cote', 'Autorisations', 'Extra', 'Date d'ajout', and 'Modifié le'.

The screenshot shows a library management interface with a folder tree on the left and a document list on the right. Red annotations highlight the following actions:

- 1**: A red circle highlights the 'Add' button (a folder icon with a plus sign) in the top-left corner of the folder tree.
- 2**: A red arrow points to the 'biblio_memoire' folder in the tree, with the text 'Clic droit' (Right-click) next to it.
- 3**: A red arrow points to a document in the list, with the text 'Clic droit' (Right-click) next to it.

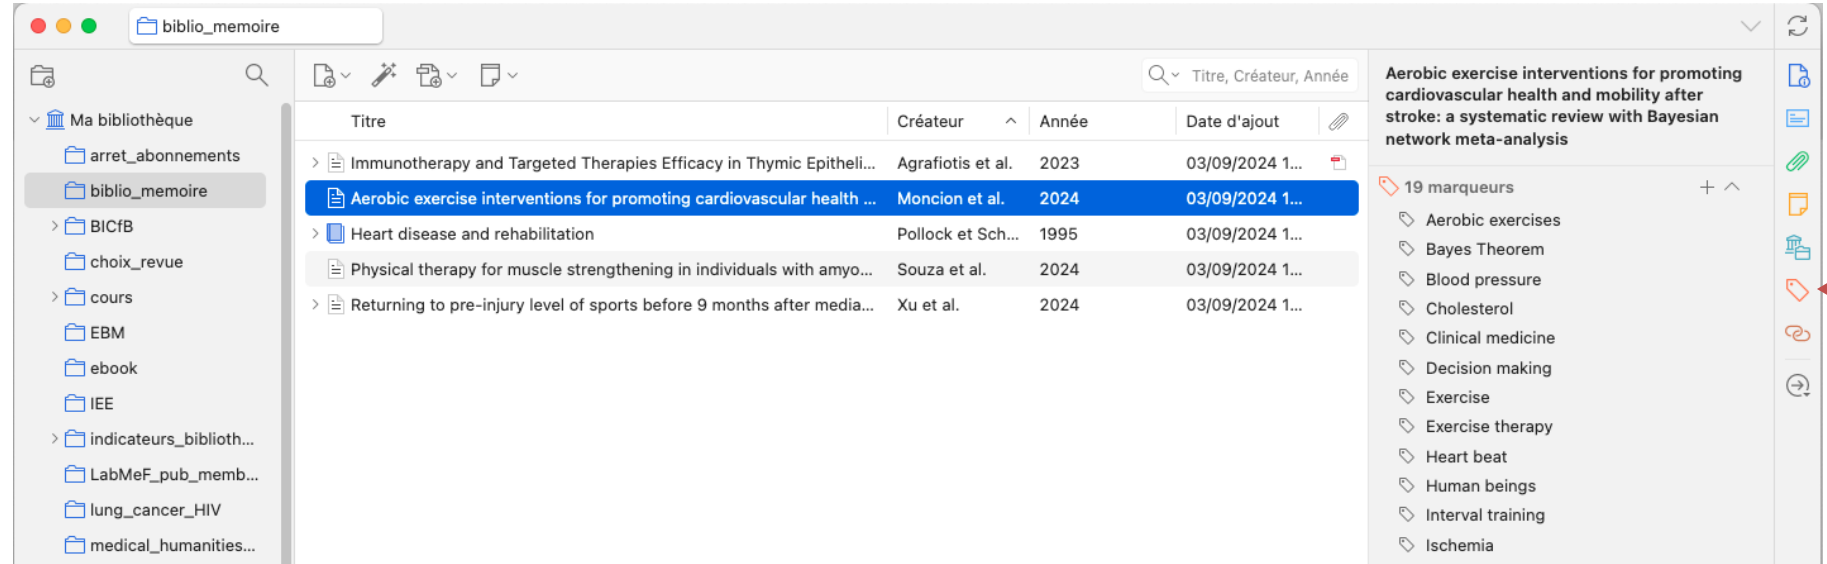

The document list contains the following entries:
